Greetings Steve! I hope you're well and getting into the holiday spirit as we roll into the season!

I'm following up on a recent letter (attached) from Bill Gibbons and Ben Adams requesting that Southeastern Asset Management continue your generous annual support of \$25,000 towards another year (2017) of Memphis Shelby Crime Commission general operating costs.

Needless to say it's been a very productive year with Bill Gibbons at the helm! In addition to managing the grant for the MPD Recruit/Retain initiative, Gibbons and his team have done great work in getting the new Operation: Safe Community five year plan into full swing. There are 16 strategies as part of that plan, and I know Bill would love an opportunity to come out to brief you and the Southeastern Asset Management team on the progress at your convenience.

As always, I am so very grateful for you and the team at SAM and the incredible spirit of generosity and corporate citizenship that you model in our community. Thank you for all you do.

All the best,

Blair
